

Basic Conflicts of Interest Rules: Part I

This interactive program uses hypotheticals to explore basic conflicts of interest rules, including: the general rule governing adversity to current clients; conflicts arising in the course of a representation as the result of the client's or the lawyer's actions; the definition of "client" for conflicts purposes (including corporations, associations, estates and others); the definition of "adversity" for conflicts purposes (including business adversity, adverse financial impact, discovery of clients and positional adversity); the complex rules governing joint representations (including joint representations in the corporate setting, during estate administration, in transactional contexts, and elsewhere).
